

JEWELRY WORKSHOP

TUESDAY, JANUARY 15, 2019 6:30—8:30 P.M.

LOVE is in the Air! Prepare for Valentine's Day by making a beautiful heart-shaped LOVE CHARM pendant in Sterling Silver, with a beautiful semi-precious gemstone of your choice. You can also choose to make a pendant stamped with a meaningful word or name. Susana Caban, creator of the HEART and SOUL Jewelry Collection, will teach the class.

Susana studied Jewelry Design at the Fashion Institute of Technology in NYC, and worked as a Jewelry Designer and Wax Model Maker for 25 years. She has created a yoga-inspired jewelry line designed to nurture the Heart and Soul.

Susana will introduce you to hand stamping, drilling holes, silver oxidation, polishing, and some basic wire wrapping techniques to attach gemstones. You will use jewelry pliers, wire cutters, metal stamps, hammers, and a Dremel tool for drilling and polishing.

Class fee includes all materials and instruction. Call Kathy at 240-308-0563 if you have questions. Space is limited. You must register in advance so the instructor has enough materials for everyone.

Class will be held at
