

The Adventures of:

Chairlene

TODAY:

Chairlene visits **GRAND GORGE**

Well hi there again, darlin'. Miss Chairlene here and like before I'm representin' **The Chair/Rail Project** to help keep the Stamford Train Station operating as a fine meeting place for **4** local Community Organizations.

1st Stop: Chairlene visits **Dr. Tim Hughes, Chiropractor** - 37199 State Highway 23

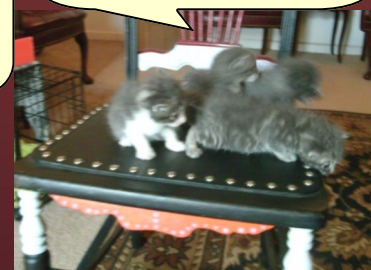

Dr. Tim, I see by all your degrees that I must be in really "Good Hands!"

Wow, that feels better already! Thank you kindly, sir.

Now just sit those darlin' kittens of yours right on my lap! So sweet, sugar!

2nd Stop: Chairlene visits

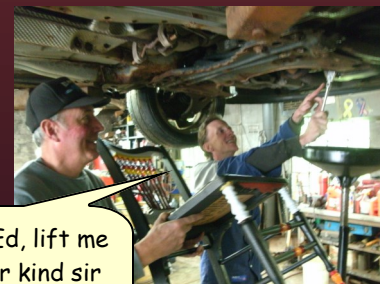

W S Hinkley & Sons, Inc.

61024 State Highway 30

So *this* is how you real nice boys change oil. My, oh my! So efficient!

That's it Ed, lift me a 'lil higher kind sir to really see what Doug is doin'! Great!

Follow the Adventures of Chairlene all spring & summer as she turns up in the darndest of places telling folks about the importance of keeping the Stamford Railroad Station operative for all the community organizations that directly assist the greater Stamford area which consists of: *Gilboa, Grand Gorge, Harpersfield, Hobart, Jefferson, Kortright and Stamford*. She'll be at each and every one of these locations with news of a Chair Art project for all creative people of all ages to join in the fun by painting and decorating their chairs and entering them in the Big Fall Fundraising Auction at the station in September. Details at: Facebook Chairrailproject.

Helping to Keep History, Community and Commerce Working Together!
